

# MACPP Unveils new website

Check out the new look and feel of the MACPP website, <http://www.macpp.org/>

While the content remains the same, the front page, and all banner pages, have a softer look and feel. All items should be easily accessed from the index menu.

The site will be refined as we continue our search for a new logo. Keep your eye and ears open, and start letting those creative juices flow. More information related to new logo ideas to come in May.
